### WOODWORK SCHOLARSHIP AWARDED

Randy Lange, President and co-owner of Lange Bros. Woodwork Co., Inc recently presented the Architectural Woodwork Institute Wisconsin Chapters scholarship to Fox Valley Technical College student Samuel Barbercheck. Highly regarded and recommended by his instructors for his initiative, attitude, academic performance, attendance and leadership, Mr. Barbercheck received the award of \$500.00 to continue developing his promising talent for custom woodwork technology.

A recent graduate of Slinger High School, Mr. Barbercheck attends the Wood Technics program at the Oshkosh campus as instructed by Mr. Mark Lorge and Mr. Glenn Koerner.

FVTC is recognized nationally in the custom architectural woodwork industry as a leader of progressive curriculum in woodwork technology. The facility, equipment and curriculum are regarded as one of the top programs in the world.

Randy Lange remarked, "Wisconsin has a long history in this countries role in the wood industry. As president of Wisconsin's oldest continuously family owned and operated custom architectural woodwork company and an active member of the Architectural Woodwork Institute, it is very satisfying to award our organizations scholarship to continue the tradition in such a promising candidate.

Lange Bros. Woodwork Co., Inc. is 79 years old and employees 53 craftsmen in Milwaukee and Marinette Counties. Chartered in 1969, the Wisconsin Chapter of the Architectural Woodwork Institute is comprised of 35 manufacturing, supplier and affiliate members.
